Experience

Founder & Creative Director

Studio Vem LLC / August 2024 - Current

- Founded an independent design studio specializing in UI/UX design, branding, and social media marketing.
- Lead all phases of client engagements: discovery, strategy, design execution, revisions, and delivery.
- Manage all business operations including outreach, proposals, contracts, pricing, and invoicing.
- Develop and maintain self-directed marketing for the studio: portfolio, social presence, and brand identity.

Tattoo Artist

S.V.Studio / November 2025 - Current

- Design and execute custom artwork for clients from concept through application, requiring precision, strong client communication, and design adaptability.
- Manage client bookings, communications, and brand presence across social media platforms.

Graphic Designer

UNT - Division of Enrollment / September 2023 - May 2025

- Designed marketing and communication graphics for a university audience of 45,000+ students and staff across print and digital channels.
- Collaborated with senior stakeholders to maintain visual consistency and deliver designs aligned with institutional goals.

Marketing Coordinator

Honors College Programming Council / August 2022 - May 2025

- Designed promotional graphics and developed outreach strategies across newsletters and social media, contributing to increased student engagement for campus events.
- Collaborated with event coordinators to produce cohesive, on-brand marketing materials.

Creative Content Producer

Pentel of America / August 2023 - May 2024

- Produced multimedia content for Facebook, Instagram, TikTok, and LinkedIn to promote product lines and brand awareness.
- Developed strategic content plans aligned with campaign goals, contributing to measurable engagement growth across platforms.

Shop Assistant & Designer

UNT Design Works / October 2022 - September 2023

- Managed order processing, email communications, and project coordination to support studio workflow.
- Provided customer service and front-of-house support, assisting students, clients, and faculty.
- Designed postcards, stickers, and buttons for promotional use while maintaining the shop floor.

Marketing Graphic Designer

Zoccam / October 2022 - January 2023

- Developed PowerPoint presentations and social media graphics for client engagement.
- Supported marketing efforts through visual communication and brand presentation materials.

Graphic Design Intern

TLT - Tomorrow's Leaders Today / May 2022 - August 2022

- Created social media graphics, videos, and promotional materials across 14 projects.
- Collaborated with team members to develop marketing strategies and visual assets.
